Funding Opportunity 2017 – Irish Judo Association

20.07.2017

The sum of €2000 is being made available to individual members and clubs. The Board of the Irish Judo Association have made this money available to assist individuals and clubs in their efforts to further their development in judo performance.

This scheme was first announced by the President at the 2017 AGM. It is hoped that in 2018 the figure will be increased. The €2000 is available to programmes or events active from 1st July 2017 to the 31st December 2017.

A maximum of €500 is available to any one proposal. The fund is open to those who can show that their programme or event will provide the opportunity to improve their performance and further the development in judo of the participants.

Examples of programmes would be: the attendance at training camps abroad by a club or individual; attendance by a club at a competition in Europe; a competition or training camp that attracts international level competitors in Ireland. A club attending a competition abroad must have a minimum of three players compete. This list is not exhaustive. All applications will be examined on their merits.

Proposals that will not fit the criteria are: individual seeking funding to attend a competition either to compete or officiate; an individual seeking funding to gain a qualification; any event or programme that is already partially funded by the Irish Judo Association.

All proposals are to be sent to the Irish Judo Association via email to

admin@irishjudoassociation.ie

The closing date for applications is 1st September 2017.
