Development Commission Report 2018 To 2019

Development Commission Chairperson – Sylvia O'Flynn

Development Commission Report

- The Development Commission of the Irish Judo Association was set up in summer 2018. The Chairperson is Sylvia O'Flynn, who is assisted by Anne-Marie McCluskey and Katie Donovan.
- Our main brief is as our name suggests; to develop the sport of Judo in Ireland. Our focus from the beginning has been to assist clubs.
- All Local Sports Partnerships have been contacted with the view of establishing exactly what they can offer to help our clubs. LSPs can offer assistance with Child Protection courses, grant applications and also run workshops on various different topics that may be of interest to our clubs. Details of the relevant LSP have been sent to each club.
- All clubs were in turn contacted to ascertain if they had any specific training requirements, or indeed any other areas with which they had concerns.
- Training days WERE set up in Leinster and Connacht. The uptake for the former province was much lower than hoped. We had hoped to run "Table Officials" training in conjunction with Safeguarding; however there appeared to be no interest in training as "Table Officials".
- The Sports Capital Grant was available in 2018 and a workshop on same was attended by the Development Commission. One of our clubs in Leinster was fortunate in receiving monies from this grant. It would be hoped that more clubs would apply for this grant on the next occasion.
- The recent launch of the Sport Ireland "Women in Sport" programme and grant was attended by the Development Commission and on foot of that we are applying for a grant to assist with the development of women's judo in Ireland. We are applying for this with a highly adventurous programme, which we hope all clubs will get behind.
- Thank you to all the invaluable input from Anne-Marie and Katie.

Veterans Judo Commission Report 2018 To 2019

Veteran’s Commission Secretary – Donal Tannam

Veterans Commission Report

- **Irish Judo Veterans 2018 Report**
- 2018 was another busy year for Irish Veteran Judoka in general and for Paul Cummins and secretary Donal Tannam who both worked hard to host several fund-raising and awareness events over the course of the year. They encouraged their veteran judoka to take part in local tournaments, both in Senior and in Veteran Categories. They were active in organising, participation and coaching duties at many of the events listed below. In many instances, Paul Cummins also drove all or most of the participants to the venues in his own, or a hired vehicle, and extended Irish Hospitality to the extent of collecting and driving overseas visitors to the airport after the Irish Veterans Open and Irish Open. Paul also ran several Squad Sessions usually in his own club but also in Kilkenny. At times squad turnouts have been disappointing especially given the numbers that entered neighbouring event in June in the UK but almost every session a "new" old face has appeared and the sessions continue irrespective of their financial viability.
- **May:** Northern Ireland Open: Six players, Two Gold Medals and Three Bronze
- **June:** European Veteran Championships Glasgow: A strong delegation from IJA of 19 including referee Chris Hickey and coach Tim Kelly. A number of players lost out for Bronze, but the squad may have made trivia history by having two judoka register with the same name (John Dennis and his father, known to us as Jack) and, more importantly, both appearing in the medals table. Jack also defeated Olympian Terry Watt playing for Great Britain on his way to the finals.
- Gold Lydia Richie Gold Jack Dennis Silver Dermot Killeen Bronze John Dennis
- British Veterans: Two Gold and one Bronze Medal
- **October:** Judo World Championships Mexico: 7 Entries + 1 Referee.
- Once again Jack Dennis took Gold with fellow competitors Ellie and John proudly looking on.
- **November**: 5th Irish Veterans Open Trinity College Dublin.
- USA, Czech Republic, Italy, Germany, Scotland, Spain, England all sent competitors with almost 70 players registered and a slight increase in women's participation. Our only 7th Dan Harry McGuigan came out of retirement to give an overseas visitor a bout and retained his Gold medal status.
- **Veteran Grading** Paul Cummins School of Judo, a slightly disappointing turnout perhaps due to aches and pains or worse following the Irish Veterans.
- **December**: All Ireland Judo Championships. Reasonable numbers in the Veteran Category and some Veterans also took part in Senior Categories. One of the small complaints our Commission has is that several players compete abroad without engaging with our squad so sometimes even as simple a thing as reporting wins for a report such as this can be problematic.

Adaptive Judo Commission Report 2018 To 2019

Adaptive Judo Commission Chairperson – Mr Frederic Marmain

Adaptive Commission Report

- No Report at this time

Competitions Commission Report 2018 To 2019

Competitions Commission Chairperson – Leo Gibbons

Competition Commission Report

Events in 2018 to 2019

- All Ireland
- Irish Open
- All Ireland Schools

All Irelands

- 289 entries
- 24 clubs.

Number of entries similar to 2017 but No of clubs participating is up. Ran at a loss of €1400.

Irish Open

- 349 entries.
- Entries up on 2018 (325) & 2017.

2019 ran at a profit of approx. €500 (IJA received a grant of €2500 from Sport Ireland to offset costs).

All Ireland Schools 2019

- Scheduled for 19th May 2019 for Minors, Pre-Cadets & Cadets.
- It will take a number of years to build this entry up and we need to consider best date for this event to be held.

Competition Commission Report

Observations:

- NIA is a fabulous venue for our 2 main events. Feedback is very positive.
- The use of Paul Keeton & Mike Draper and their competition format has helped hugely in the better running of these events.
- Weigh-In cards & Bar Code Scanning introduced.
- Entry List produced before the event.
- Large TV screens purchased by IJA for use as score boards.
- Use of Online entry only for national events.
- Strict adherence to closing dates. We must be more professional on this issue like other countries.
- Use of white judogi only for Minors, Pre-Cadets & Cadets for these events to be introduced.
- Coach Passes – coach must be compliant to get a coach pass.
- Coaches must ensure that all their players behave themselves when in NIA or Phibblestown.
- Coaches to ensure all their players wear appropriate footwear whilst in the venue. Too many young players walking around in their bare feet!
- Aim is to improve quality of medals.
- Introduce certs for All Ireland medallist's.

Competition Commission Report

Key Priorities

- More support from ALL clubs with players for these events.
- More support from ALL clubs needed for helping of the running of the events – table staff, tying belts, ‘security’ etc.
- Increase the number of qualified referees.
- We need to have some strategy in place for provincial events so they are not clashing and negatively impacting on each other.

Treasurers Report

Increased Overheads

The overheads as listed at page 23 show an increase of (€115,393- €103,508) €11,885. This primarily because of the following:

Stocks have increased from €26,601 to €38,421(increase of €11,819)

President’s Report 2018 To 2019

President – Mr Sean Fleming

President's Report

- *A Cháirde,*
- *Since our last AGM I believe that as an Association we have continued on the pathway of improvement. We had two very successful events in the All Ireland Championships and the Irish Open in the National Arena, success by our players on the international circuit, club compliance improving and promotion of several of our members to higher Dan grades.*
- *This last year has also brought its time of sadness with the passing of John Creaven and other friends and family members of the Irish Judo community.*
- *Much of the year's events have been covered in the comprehensive Secretary's Report. It would be remiss of me however not to pass comment on some of them.*
- ***International***
- *We have won medals at international competitions from Veteran to Cadet. Jack Dennis continues to master his grade, and win the World Veteran Championships, Ben Fletcher, Megan Fletcher and Eoin Fleming won medals on the world circuit at senior level; our juniors, Callum Nash, Bearach Gleeson and Joshua Green had a successful trip to Australia winning medals and Kevinas Ramoska winning at a Cadet tournament.*

President's Report

- ***Squad***
- *I regretfully had to accept the resignation from Chloe Cowan Vickers from her role as National Squad Manager. Chloe started a process that the vast majority of coaches bought into. She has moved on and as an Executive we have been working to put in place a system that will suit Irish Judo. It is most unlikely that we will continue with the status quo. The one certain conclusion is that the person who is sitting as coach mat side with our players on international duty will have knowledge of the player, have worked with them, be compliant and willing to follow the programme set down and agreed by the Irish Judo Association. As an association we wish all those representing Ireland on the international circuit, at any grade, every success in their endeavours.*
- ***Provincial Squads***
- *All four provinces have a squad programme in place. The rationale behind them is to provide a pathway for our aspiring players to move from Club, to Provincial Development, to Provincial Squad, to International Development, to National Squad and ultimately onto the High Performance Programme.*
- *It has taken time to get the provincial system in place but this coming year we would hope that the pathway can be more structured. The Provincial Development Squad should be for our minor and pre-cadet players. This will provide them with the opportunity to train with other players in their region. The Provincial Squad should be more focused on player development and provide the opportunity for the player to attend competitions such as the NI Open, English, Welsh or Scottish Opens and Heart of England. Our players need to be exposed to this level of competition before moving up to higher international events. The Provincial Squad group should be for cadet and junior players at this level. I would also encourage our provincial set up to provide open randori sessions for junior and senior players in the region. This hopefully can be developed into several national randori sessions organised throughout the year in the different regions.*

President's Report

- ***Competitions***
- *The All Ireland School Championships, All Irelands and recent Irish Open were all very successful events. Thank you to Leo and his team for the organisation. The standard of judo is getting higher at these competitions and that is in no small measure due to the level of coaching that is happening in the majority of our clubs. This was especially evident at the All Ireland Schools. As an association we aim to continue to make small improvements at each national event. At future National Gradings the score boards etc will be used. We have used the Care System at recent events through the generosity of the NIJF but it is our aim to purchase our own equipment. This will provide a helpful tool for improving the level of refereeing.*
- ***Future***
- *It is our plan to improve our association to bring in expertise from other National and International organisations. Most recently we had a successful Improve Your Club seminar in cooperation with the EJU. Those in attendance were very positive of the two-day event. Eventually our aim is to be fully self-efficient and have fully qualified personnel from within our own association to lead in all areas of judo. To achieve this, we need assistance. To claim otherwise we are being insular in our thinking. Areas such as coaching, refereeing and competitions are constantly evolving, and not only the IJA need assistance in keeping up with the changes in judo but most other national organisations seek help from whatever field they think can bring improvements to their organisation.*

President's Report

- ***Promotions***
- *One of the more pleasant functions as President is to make presentations to members who have been recognised for their service and achievements. At the All Irelands we honoured four of our members with their 6th Dans, John Douglas, Sean Sullivan, Leo Gibbons and Jim Crockett. Today we honour our newest 7th Dan recipients, Jack Dennis, Ciaran Ward and Paul Cummins. Congratulations to all and thank you for the service you have given and continue to give this association. Three of our referees have also been honoured with international recognition. David Holmes and Kevin Fitzmaurice receive an Honorary EJU Continental badge and Michael Power his Honorary IJF Intercontinental badge for service.*
- ***Condolences***
- *The Irish Judo Association wish to extend their condolences to the Creaven Family & Galway Judo Club on the death of Mr John Creaven. John was an iconic figure in Irish Judo, his love of the sport spanned decades & he will be greatly missed. We send our deepest sympathies to his wife Brid, his children Ann-Marie, Ross, Orla and Barry, his grandchild Mara, his extended family and his judo family in Galway Judo Club and the wider Galway community. The recent competition in Galway was a testament to how the judo community respected him. Our sympathy and condolences also to any of our members who have suffered loss throughout the year. Ar dheis Dé go raibh a anam.*

President's Report

- ***Appreciation***
- *On behalf of the Irish Judo Association I would like to thank all those who in any way have contributed to the development and work of judo in Ireland. Your efforts are very much appreciated. To those who work in the Office, Deirdre and Sean plus my fellow Executive Officers, much of your work goes unseen but can't be done without.*
- *Go raibh maith agaibh - Seán*

for the year ended 31 December 2018

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

INDEPENDENT AUDITOR'S REPORT

to the Members of Irish Judo Association

(A company limited by guarantee, without a share capital)

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Irish Judo Association ('the company') for the year ended 31 December 2018 which comprise the Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes to the financial statements, including a summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2018 and of its surplus for the year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 3 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- in our opinion, the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- in our opinion, the Directors' Report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit. In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. The financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

to the Members of Irish Judo Association

(A company limited by guarantee, without a share capital)

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description of auditors responsibilities for audit.pdf. The description forms part of our Auditor's Report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

2. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance
The financial statements of the company for the year ended 31 December 2018 have been prepared in accordance with the provisions of FRS 102 Section 1A (Small Entities) and the Companies Act 2014.

Basis of preparation
The financial statements have been prepared in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A, issued by the Financial Reporting Council.

Income
Turnover comprises of income received in connection with the principal activity of the company including, the invoice value of goods supplied by the company exclusive of value added tax, membership fees, grading fees, affiliation fees, coaching fees and referee course fees.

Tangible fixed assets and depreciation
Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Plant and machinery	-	25%
Computer equipment	-	33.3%
Website	-	33%

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Stocks
Stocks are valued at the lower of cost and net realisable value. Stocks are determined on a first-in first-out basis. Cost comprises expenditure incurred in the normal course of business in bringing stocks to their present location and condition. Full provision is made for obsolete and slow moving items. Net realisable value comprises actual or estimated selling price (net of trade discounts) less all further costs to completion or to be incurred in marketing and selling.

Trade and other debtors
Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Trade and other creditors
Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Every member of the company undertakes to contribute to the assets of the company in the event of its being wound up while they are members, or within one year thereafter, for the payment of the debts and liabilities of the company contracted before they ceased to be members, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributors among themselves, such amount as may be required, not exceeding € 2.

16. CAPITAL COMMITMENTS

17. CONTINGENT LIABILITIES

In February 2012 the Department of Transport Tourism and Sport carried out an Audit in respect to the allocated funds which the Association received in 2007/2008. This Audit is currently extant and the Association continues to fully co operate with the Department. The Association has acknowledged in its year on year Accounts since 2009 that an accrual of circa €21,000 has been made regarding further expenditure on mat/equipment purchases. As part of the Audit the Department of Transport, Tourism and Sport have accepted that this accrual must be allocated towards such capital expenditure and that this should be done as soon as practicable by the Association. The Department of Transport Tourism and Sport have also expressed their opinion regarding other capital expenditure made by the Association from 2009 up until 2012, in which they are happy to consider such expenditure to be included in the overall capital grant allocation received by the Association. As this is an ongoing Audit process with the Department and the Association, the final outcome or determination of further actions by the department cannot be assessed at this time. This will be, more fully, set out by the Association in the 2019 directors' report.

The Association has received notification of two potential claims against them. The Directors do not accept liability. In the opinion of the Directors no ultimate liability will be assessed by the courts against the Association in the event that the claims proceed to court. No provision has been made for potential liabilities that could be incurred in the unlikely event that the courts assess a liability against the Association.
