

SETTING UP A NEW JUDO CLUB

AFFILIATED TO THE IRISH JUDO ASSOCIATION

Before starting the process, all applications to open a new Judo Club must be submitted to the Executive Committee of the Irish Judo Association. For information purposes, judo in Ireland is taught by qualified judo coaches who have completed coaching courses through the National Governing Body via Sport Ireland the national awarding body for coaching sports in Ireland. The ability to open an affiliated judo club in Ireland is not based on the Dan Grade held by the judoka or the years practising judo (they are important but not the starting point to open a club). Enrolment in coaching courses would be a priority on a pathway to opening a judo club.

A written proposal with supporting documentation should be submitted to the Executive Committee of the Irish Judo Association via the Honorary General Secretary via admin@irishjudoassociation.ie. The proposal to open a club should demonstrate how the club will function & should include the following crucial information:

- (i) who is responsible for the club?
- (ii) what is the background in judo of the applicant on behalf of the prospective club?
- (iii) what are the objectives of the club?
i.e., mainly children or strictly adults or a mixture of both
- (iv) how many judokas are being targeted and from what catchment area?
- (v) who are the designated coaches, and what qualification/s they hold?
- (vi) are all relevant coaches/volunteers Garda Vetted?
- (vii) have all relevant coaches/volunteers attended Safeguarding & First Aid courses?
- (viii) what is the composition of the club committee?
- (ix) how are the club mats being financed? how is the venue being financed?
- (ix) any other relevant information

There are currently three options available regarding the structure of clubs:

1. Open Club – available to children and adults at a venue of own choice
2. University Club – specific to 3rd Level Education college campus
3. School Club – specific to one school location for an approved school judo programme

Once the proposal is received, the Executive Committee will then advise if your application to open a club is in order or if further consideration need to be addressed, this process can take upwards of 45 days depending on the next sitting of the Executive Committee.

This document is aimed at assisting you with regards to the new setup of a Judo Club and the steps you should take. The Irish Judo Association welcomes any ideas to streamline the process and will offer as much assistance as possible.

1. Coaching Qualifications – All judo coaches who wish to participate in teaching classes must present their coaching certificates (or equivalent) to the Irish Judo Association before they commence. A review of your full coaching profile will be taken into consideration when setting up a new club. Effective 31st January 2016, minimum standards will apply, and all clubs must have qualified coaches approved under the framework of Sport Ireland Coaching. The nominated Head Coach must be a Level 2 (or have completed Level 1 and is waiting to enrol in the next Level 2) and all Assistant Coaches must be a Level 1 coach. Sport Ireland/IJA Coaching Courses are advertised on the IJA website. The appropriate coaching modules must be followed. This mapping process is undertaken by Sport Ireland.

2. The Irish Judo Association is committed to safeguarding children and by working under the guidance of our IJA Safeguarding Policies our staff, both volunteers and employed, working with our young people, throughout the organisation, seek to create a safe environment for young people to grow and develop. We need to ensure that children's & vulnerable adult's early experiences are positive and enjoyable, irrespective of their ability, gender, social class, race, etc. It is important to see adults, both volunteers and professionals, contribute to these positive experiences by acting as role models in all dealings with young people. A Designated Liaison Person must be appointed within each club that is separate to the Club Children's Officer. This person must undergo Safeguarding 3 training and should not hold the role of Coach. The Children's Officer must complete Safeguarding 2. All Club Coaches should complete Safeguarding 1. Please contact the Local Sports Partnership register county to participate in a Safeguarding 1,2 & 3 course prior to setting up your club.
